**Periodic Statements:** Statements are provided monthly or quarterly based upon account type and whether an electronic transfer has taken place during the statement period. If you only have a savings, certificate, and/or Individual Retirement Account (IRA), we provide quarterly statements, unless you conduct an electronic transaction, in which case you will receive a monthly statement. If you have a checking and/or tiered money market account, we provide monthly statements. All receipts should be retained to verify against transactions listed on your statement.

**Disclosure of Account Information to Third Parties.** We will maintain the confidentiality and privacy of your account information in accordance with our privacy policy and applicable law. We will disclose information to third parties about your account or transfers you make:

1. When it is necessary for completing transfers, or
2. In order to verify the existence and condition of your account for a third party such as a credit bureau or merchant, or
3. In order to comply with a government agency, court order or any legal process, or
4. If you give us your prior written permission.

**In Case of Errors or Questions about Your Electronic Transfers.** The following consumer protections do not apply to business or other entity accounts.

Telephone, write, or email us using the contact information under Contacting HVFCU as soon as you can, if you think your statement or receipt is wrong or if you need more information about a transfer listed on the statement or receipt. We must hear from you no later than 60 days after we sent the FIRST statement on which the problem or error appeared.

1. Tell us your name and member account number (if any).
2. Describe the error or the transfer you are unsure about and explain as clearly as you can why you believe it is in error or why you need more information.
3. Tell us the dollar amount of the suspected error.

If you tell us verbally, we may require that you send your complaint or question in writing within 10 business days.

We will determine whether an error occurred within 10 business days after we hear from you and will correct any error promptly. If we need more time, however, we may take up to 45 days to investigate your complaint or question. If we decide to do this, we will credit your account within 10 business days for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within 10 business days, we may not credit your account.

For errors involving new accounts, point-of-sale, or foreign-initiated transactions, we may take up to 90 days to investigate your complaint or question. For new accounts, we may take up to 20 business days to credit your account for the amount you think is in error.

We will tell you the results within three business days after completing our investigation. If we decide that there was no error, we will send you a written explanation. You may ask for copies of the documents that we used in our investigation.

**Verification.** All transactions affected by use of an ATM, POS terminal, Shared Service Center, audio response system (MAGIC), or other electronic transaction which would otherwise require your signature, or another authorized signature, shall be valid and effective as if signed by you when accomplished by use of the card(s) and/or PIN(s) or as otherwise authorized under this Agreement. Deposits at an ATM are subject to verification by us and may only be credited or withdrawn in accordance with HVFCU's Funds Availability Policy. Transactions accomplished after the close of a business day shall be deemed to have occurred on the next business day. We are not responsible for delays in a deposit due to an error made by you.

**Stop Payment Requests.** Please refer to HVFCU's Truth in Savings Disclosure & Account Agreement for additional instructions and terms applicable to stop payment requests. Fees for stop payments are disclosed in HVFCU's Fee Schedule.

**Preauthorized Payments.** If you have arranged in advance to allow a third party to make regular electronic fund transfers out of your account(s), you may authorize a stop payment of these preauthorized transfers from your account. You must notify HVFCU verbally or in writing in time for us to receive your request, no less than three business days before the scheduled date of a preauthorized transfer. HVFCU may require written confirmation of the stop payment order to be made within 14 days of any verbal notification.

If these regular payments may vary in amount, the person you are going to pay will tell you, 10 days before each payment, when it will be made and how much it will be. You may choose instead to get this notice only when the payment would differ by more than a certain amount from the previous payment or when the account would fall outside certain limits that you set.

If you order us to stop one of these payments three business days or more before the transfer is scheduled, and we do not do so, we will be liable for your losses or damages.

**Bill Pay Service Payments.** You must contact HVFCU's Bill Pay Service line at 855.767.5767. Stop payment requests will be accepted only if the Bill Pay Service has a reasonable opportunity to act on such requests. It is not possible to stop a payment which is already completed. The Bill Pay Service may not have a reasonable opportunity to act on any stop payment order given after a payment is in process. If you wish to stop any payment in process, you must call HVFCU's Bill Pay Service line, and they will make every effort to accommodate your request, although the Bill Pay Service will have no liability for failing to do so. If you call, the Bill Pay Service may also require you to present your request in writing within 14 days after you call.

**Member Liability.** You cannot use any ATM or POS location without your HVFCU ATM/Visa Debit Card and PIN. You also cannot have access to Audio Response (MAGIC) without your PIN, or Internet Banking, Mobile Banking, or Text Banking without your password. You are responsible for the safekeeping of your passwords, ATM/Visa Debit Card and PIN. Your ATM/Visa Debit Card should be kept secure and your PIN(s) and passwords should be memorized and kept confidential at all times to avoid unauthorized electronic funds transactions.

The following consumer protections do not apply to business or other entity accounts.

Tell us AT ONCE if you believe your HVFCU ATM/Visa Debit Card, PIN, and/or passwords, have been lost or stolen, or if you believe that an electronic fund transfer has been made without your permission using the information from one of your checks. Telephoning is the best way of minimizing your possible losses. You could lose all the money in your account (plus your maximum overdraft line of credit). If you tell us within two business days after you learn of the loss or theft of your card, PIN, or password, you can lose no more than \$50 if someone used your card, PIN, or password without your permission.

If you do NOT tell us within two business days after you learn of the loss or theft of your card, PIN, or password, and we can prove that you could have stopped someone from using your card, PIN, or password without your permission if you had told us, you could lose as much as \$500.

Also, if your statement shows transfers that you did not make, including those made by card, PIN, password, or other means, tell us at once. If you do not tell us within 60 days after the statement was mailed to you, you may not get any money you lost after the 60 days if we can prove that we could have stopped someone from taking the money if you had told us on time. If a good reason (such as a long trip or hospital stay) kept you from telling us, we will extend the time periods.

If you believe your card, PIN, or password has been lost or stolen, call or write us at the number/address listed under Contacting HVFCU as soon as possible. You should also call or write if you believe a transfer has been made using the information from your check without your permission.

**HVFCU's Liability.** If we do not complete a transaction to your account on time or in the correct amount according to our agreement with you, we will be liable for your losses or damages. However, there are some exceptions. We will not be liable, for instance:

1. If, through no fault of HVFCU, you do not have enough money in your account (or sufficient collected funds) to make the transfer.
2. If the transfer would go over the credit limit on your overdraft line of credit.
3. The ATM where you were making the transfer did not have enough cash.
4. The ATM, audio response system, Internet Banking, Bill Pay, or other electronic service system was not working properly and you knew about the problem when you started the transfer.
5. If circumstances beyond HVFCU's control (such as fire, flood, electronic failure or malfunction of central data processing facility, etc.) prevent the transfer, despite reasonable precautions that we have taken.
6. If the funds in your account are subject to an uncollected funds hold, legal restraint, or other circumstances restricting such transaction or payment.
7. Your ATM/Visa Debit Card or PIN has been reported lost or stolen, has expired, is damaged so that the terminal cannot read the encoding strip, is inactive due to non-use, or your ATM/Visa Debit Card or PIN has been repeatedly entered incorrectly.
8. To protect the security of your account and/or the electronic terminal system.
9. You have not given us complete and correct information to process a transfer or payment.
10. The withdrawals or transfers from your savings and tiered money market accounts have reached the maximum number

permitted by regulation.

11. A person or entity mishandles or delays a payment sent through HVFCU's Bill Pay Service.
12. There may be other exceptions stated in our Agreement with you.

**Foreign Transaction Fees.** Purchases and cash advances made in foreign countries and foreign currencies will be converted into U.S. Dollars in accordance with the operating rules for international transactions established by Visa USA, Inc. and may occur on a date other than the date of the transaction; therefore, the currency conversion rate may be different than the rate in effect at the time of the transaction. We do not determine the currency conversion rate that is used nor do we receive any portion of the currency conversion rate. The exchange rate to dollars will be a rate that is in effect for the applicable central processing date and is selected by Visa USA, Inc. either from the range of rates available in wholesale currency markets or the government-mandated rate. An International Transaction Fee of 1% of the transaction amount will be assessed and will be shown independently of the transaction on your statement.

**ATM/Visa Debit Card Agreement.** The ATM/Visa Debit Card remains the property of HVFCU and you agree to surrender the card(s) to HVFCU upon demand. HVFCU may cancel, modify, or restrict the use of any card upon proper notice or without notice if your account is overdrawn, if HVFCU is aware that you have violated any term of this Agreement, whether or not HVFCU suffers a loss, or where necessary to maintain or restore the security of your account(s) or the ATM system. HVFCU reserves the right to capture the card(s) through any ATM. Each member whose name appears on a card assumes joint and several liability for all financial transactions made with your card.

1. This card may be used for cash withdrawals, check cashing, deposits, transfers, POS transactions, Shared Service Center transactions, merchant purchases, installment loan payments, and unsecured line of credit payments and advances, subject to terms and conditions of any existing line of credit of which this agreement is a part.
2. You must keep your card in a safe place and not permit any unauthorized person to use it.
3. You must not tell any unauthorized person your PIN or write your PIN on your card or otherwise make it available to anyone else.
4. You must tell HVFCU immediately of any loss or theft of your card or PIN. If you give your card or PIN to anyone, any withdrawal or transfer by that person will be considered to be authorized by you.
5. You must follow the instructions posted or otherwise given by HVFCU or any ATM network concerning use of an ATM.
6. You will not use the card to overdraw your account. However, if you do overdraw your savings, checking, or tiered money market account, you will refer to the information regarding overdraft coverage in HVFCU's Truth in Savings Disclosure & Account Agreement.
7. You will not use your card to overdraw your unsecured line of credit, if any. However, if you do overdraw, you authorize HVFCU to withdraw the funds to cover the overdrawn amount in accordance with the information regarding overdraft coverage in HVFCU's Truth in Savings Disclosure & Account Agreement.
8. HVFCU may charge withdrawals to checking accounts in any order it determines and if funds are not sufficient, ATM/Visa Debit Card withdrawals may be paid and regular checks dishonored.
9. Receipts issued for transactions made by use of the ATM/Visa Debit Card are binding on HVFCU only after verification.
10. HVFCU will not be liable for failure to honor the card due to improper use or retrieval of the card by an ATM.
11. Amendments to this agreement may be provided to you in accordance with applicable laws, without restatement of the terms.

**Illegal Use of Financial Services.** Any service provided by HVFCU may be used for any transaction permitted by law.

The Unlawful Internet Gambling Enforcement Act of 2006 prohibits any person engaged in the business of betting or wagering from knowingly accepting payments in connection with the participation of another person in "unlawful internet gambling," defined as "placing, receiving, or otherwise knowingly transmitting a bet or wager by any means which involves the use, at least in part, of the internet where such bet or wager is unlawful under any Federal or State law in the State in which the bet is made. Restricted transactions are prohibited from being processed through your HVFCU accounts. Restricted transactions are transactions in which a person accepts credit, funds, instruments, or other proceeds from another person in connection with unlawful internet gambling.

You agree that illegal use of any financial service will be deemed an action of default and/or breach of contract and such service may be terminated at our discretion. Illegal use includes, but is not in any way limited to, unlawful internet gambling. You further agree, should illegal activity occur, to waive the right to sue us for such illegal activity directly or indirectly related to the illegal activity. You also agree to indemnify and hold HVFCU harmless from any lawsuits or other legal action or liability, directly or indirectly, including our expenses associated with defense of such lawsuits or other legal action, including attorney fees, resulting from such illegal use.

**Provisional Payment Disclosure.** Credit given by HVFCU to you with respect to an automated clearing house credit entry is provisional until we receive final settlement for such entry. If we do not receive final settlement, HVFCU is entitled to charge your account for the amount of provisional credit and applicable returned item fees.

**Notice Disclosure.** Under the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your account, we are not required to give next day notice to you of receipt of an ACH item, and we will not do so. However, we will continue to notify you of the receipt of payments in the periodic statements we provide to you.

**Using Your HVFCU Visa® Debit Card without the Use of a PIN.** HVFCU enables non-Visa debit transaction processing and does not require that all such transactions be authenticated by a PIN. A non-Visa debit transaction may occur on your HVFCU Visa debit Card through the Jeanie network. Below are examples to distinguish between a Visa debit and non-Visa debit transaction:

**Visa Debit Transaction:** To initiate a Visa Debit transaction at the point of sale, the cardholder signs a receipt, provides a card number (e.g., in e-commerce or mail/telephone order environments) or swipes the card through a point-of-sale terminal.

**Visa Non-Debit Transaction:** To initiate a non-Visa Debit transaction, the cardholder enters a PIN at the point-of-sale terminal or, for certain bill payment transactions, provides the account number for an online or mail/telephone order transaction after clearly indicating a preference to route it as a non-Visa transaction. A non-Visa Debit transaction will not provide the zero liability protection benefit, and if a Rewards program is present, a non-Visa Debit transaction may not be an eligible Rewards transaction. Provisions of the cardholder agreement relating only to Visa transactions are inapplicable to non-Visa transactions.

**Consent to Contact.** You are required to provide an active telephone number by which we can reach you. You may, but are not required to, provide us with a cellular, voice-over-Internet-Protocol (VoIP), or other telephone number which may require you to pay for receiving calls (a "mobile" number). You are not required to provide a mobile number in order to access any product or service provided by us. If you choose to provide us with a mobile number, you thereby expressly consent to receiving communications from us and our affiliates and agents at that number for any purpose and by any method, including efforts to contact you regarding a debt, prerecorded or artificial voice message calls, text messages, and calls made by an automatic telephone dialing system. Such calls and messages may incur access fees from your cellular provider. Your consent to receive prerecorded or artificial voice message calls, text messages, and calls made by an automatic telephone dialing system may be revoked at any time, although we may still contact you in connection with any debt you may have.

**Changes in Terms.** We may change the terms of this Electronic Fund Transfers Disclosure & Agreement. If you have an account with us through which electronic transactions are being processed, you will receive written notice at least 21 days prior to the effective date of the change(s), or as otherwise provided by law.

**Termination of Electronic Funds Transaction Services.** Electronic services may be terminated if any of your HVFCU loans that you are primary, joint borrower, or co-maker on, are in default. You may, by written request, terminate any of the electronic services provided for in the Agreement. Bill Pay Service may be terminated through the Bill Pay Service provider. HVFCU may terminate your right to make electronic funds transactions at any time upon written notice, except where in our judgment, immediate termination without notice is necessary. If you ask HVFCU to terminate your account or the use of your ATM/Visa Debit Card, or any other access device or service, you will remain liable for prior authorized transactions performed on your account.

**Governing Laws.** This agreement is governed by HVFCU's bylaws, federal laws and regulations, the laws including applicable principles of contract law, New York State's laws, the National Automated Clearing House Association Operating Rules, and local clearinghouse rules, as amended from time to time. As permitted by applicable law, any legal action regarding this Agreement shall be brought in Dutchess County, New York.

**Choice of Law Disclosure.** We may accept on your behalf payments to your account which have been transmitted through one or more Automated Clearing Houses (ACH) and which are not subject to the Electronic Fund Transfer Act and your rights and obligations with respect to such payments shall be construed in accordance with and governed by the laws of the state of New York as provided by the operating rules of the National Automated Clearing House Association, which are applicable to ACH transactions involving your account.

**Mandatory Arbitration.** Any claim, dispute, or controversy ("Claim") arising out of or relating to this Agreement or the relationships among the parties hereto shall be resolved by one arbitrator through binding arbitration administered by the American Arbitration Association ("AAA") in Dutchess County, New York, under the AAA Consumer Rules in effect at the time the Claim is filed ("AAA Rules"). Copies of the AAA Rules and forms can be located at [www.adr.org](http://www.adr.org), or by calling 800.778.7879. The arbitrator's decision shall be final, binding, and non-appealable. Judgment upon the award may be entered and enforced in any court having jurisdiction. The costs of the arbitration, including arbitrator's fees, shall be borne equally by the parties to the arbitration, unless the arbitrator orders otherwise. This clause is made pursuant to a transaction involving interstate commerce and shall be governed by the Federal Arbitration Act. Neither party shall sue the other party other than as provided herein or for enforcement of this clause or of the arbitrator's award; any such lawsuit may be brought only in Federal District Court or, if any such court lacks jurisdiction, in any state court that has jurisdiction. The arbitrator, and not any federal, state, or local court, shall have exclusive authority to resolve any dispute relating to the interpretation, applicability, unconscionability, arbitrariness, enforceability, or formation of this Agreement including any claim that all or any part of the Agreement is void or voidable. However, the preceding sentence shall not apply to the clause entitled "Class Action Waiver."

**Class Action Waiver.** Any claim must be brought in the respective party's individual capacity, and not as a plaintiff or class member in any purported class, collective, representative, multi-plaintiff, or similar proceeding ("Class Action"). The parties expressly waive any ability to maintain any Class Action in any forum. The arbitrator shall not have authority to combine or aggregate similar claims or conduct any Class Action nor make an award to any person or entity not a party to the arbitration. Any claim that all or part of this Class Action Waiver is unenforceable, unconscionable, void, or voidable may be determined only by a court of competent jurisdiction and not by an arbitrator.

THE PARTIES UNDERSTAND THAT THEY WOULD HAVE HAD A RIGHT TO LITIGATE THROUGH A COURT, TO HAVE A JUDGE OR JURY DECIDE THEIR CASE, AND TO BE A PARTY TO A CLASS OR REPRESENTATIVE ACTION. HOWEVER, THEY UNDERSTAND AND CHOOSE TO HAVE ANY CLAIMS DECIDED INDIVIDUALLY, THROUGH ARBITRATION.

**Waiver of Jury Trial.** Subject to and without modifying or waiving in any way the clauses above entitled "Mandatory Arbitration" and "Class Action Waiver," each of the parties hereby unconditionally waives any right to a jury trial with respect to and in any action, proceeding, claim, counterclaim, demand, dispute, or other matter whatsoever arising out of or related to this Agreement.
